Refined aradhana:

Step1: choose the theme.

Theme can be on:

- 1, gods work for us. (bijay, xutkara, mukti.....)
- 2, Gods characteristics. (pawitra, santi, ananda, galati 5:22)
- 3, bible events and how that is happening to us.
- 4, etc

Step2: Add the songs

First choose only 3 songs.

Generally:

Power-worship-slow.

You can make all 3 songs powered.

You can make all 3 songs emotional.

Warning: don't choose song no one knows

Only after teaching the church or when choir is sufficient.

Step3: swata music or chorus:

Choose the same chord chorus as previous song

or

adapt to swata music.

(Swata music is preferred)

Swata music :

1-2 liner

Repeatable

Easy music

Choir must follow it

Step4: speak from beginning to end

Where you will guide 30%

Worship 70%

highlight the theme while speaking

frequently name the theme in the whole worship

Write the full script from beginning to end.

Never forget:

-> taking care of yourself.

-> Your that day worship will only come once so better give everything.

->haptai vari parmeshowrko upastiti ra asal aradhana ko lagi prathana.

->xutkara navayeko mahasus vaye prathana ma basney afai.

-> harek aradhana garney samaima ma ajha yesto aradhana garxu ki paramprabhulai ma prassana parxu
